

# German Society for Microcirculation and Vascular Biology

## Meeting 2019

Featuring  
Hermann Rein  
&  
Aletta Jacobs  
young investigator  
awards

## October 25 – 27, 2019 Heidelberg, Germany

Bild: Christian Bienia

### Topics

Organ-specific vascular features, Mural-endothelial crosstalk, Endothelial cell-cardiomyocyte communication, Biomechanical control of vascular differentiation, Microcirculatory tumor progression and metastasis, Vascular homeostasis, aging & repair, Vascular metabolism, Immuno-vascular communication skills

### Confirmed Speakers

Hellmut Augustin, Johannes Backs, Andrew Baker, Gabriele Bergers, Jaap van Buul, Lena Claesson-Welsh, Stefanie Dimmeler, Andreas Fischer, Sergij Goerdts, Riikka Kivelä, Michaela Kuhn, Anjali Kusumbe, Eckhard Lammert, Ferdinand le Noble, Stefan Offermanns, Michele De Palma, Michael Potente, Anna Randi, Christian Rask-Madsen, Massimo Santoro, William Sessa, Lydia Sorokin, Barbara Walzog, Karina Yaniv...
